25X1 5. [REDACTED] The Director, accompanied by John S. Warner, briefed the Rivers Subcommittee of House Armed Services on a final wrap up briefing. The press stories attributed to Senator Stephen Young were discussed and tentative arrangements were made for a release by the Chairman of the Committee. Later in the afternoon, Mr. Blandford stated this had been reviewed carefully by the Chairman who had decided not to issue a release based on the fact that from outward appearances Senator Young had retracted his statements. Also apparently Rivers did not wish to exacerbate further relations between himself and the Senator.

25X1 6. [REDACTED] I was informed that Chairman Mahon and Senator Russell had agreed on the Agency budget for fiscal 1966. Hopefully the letter will be signed today or tomorrow. The House and Senate Subcommittees agreed on [REDACTED] reduction.

25X1 7. [REDACTED] Made arrangements with Senator Robert Byrd, pursuant to Senator Stennis' request, for Senator Byrd to receive the briefing given the Senate Preparedness Investigating Subcommittee earlier this week. The briefing is set for 1:30 P. M. on 26 October 1965.

25X1 8. [REDACTED] Made arrangements with Senator Milton Young of the Agency Subcommittee of Senate Appropriations to give him a final world briefing before Congress closes. This is set for 2:30 P.M. tomorrow afternoon at his office.
